Your Child

Polaris School and Centre offers a holistic education, with the aim of meeting the needs of the whole child – head, heart and hands. Waldorf education is based on stages of child development and the principle that each child is a unique individual, bringing with them their own special gifts. For this reason, it is important that our teachers have a complete picture of your child, taking into account their strengths and challenges to see if they are able to meet your child's needs. We ask that you take your time to complete this section, and include as much detail as possible, so that the teacher can have a better understanding of who your child is.

Health and Daily Routine:

How is your child's general health? Please include any past health issues as well. _____

How would you describe your child's diet? Do they have any dietary restrictions or allergies? _____

Can you briefly describe your child's daily routine? _____

Please describe your child's night time routine? Does your child have any sleep issues? _____

What responsibilities does your child have at home? _____

Interests:

What are your child's interests or hobbies? _____

How much time does your child spend on technology of any kind? _____

Does your child participate in private lessons or sports activities? (describe) _____

Developmental & Educational Experience:

Please describe your child's educational experience until now? _____

How would you describe your child's social/emotional development? _____

Tell us about your child's language development. _____

Please describe your child's fine and gross motor development. Have there been any challenges? _____

Have you ever sought counselling or a professional evaluation for your child? Yes No
If yes, please describe them and we ask that you provide a copy of the results with this application.

Is there anything else that you feel we should know about your child?
